This matter was opened to the New Jersey State Board of Dentistry ("Board") by way of an Administrative Complaint filed March 23, 1990 by Robert J. The complaint alleged that respondent Michael Doblin, D.D.S. engaged in willful and gross malpractice or willful and gross negligence and/or repeated acts of negligence, malpractice or incompetence and/or professional misconduct in that he allegedly permitted and aided unlicensed persons to perform duties requiring a license to practice dentistry, dental hygiene and/or registered dental assisting in violation of N.J.S.A. 45:6-61 and N.J.S.A. 45:1-21. The respondent, by and
